

# Assembly Guide PPSWAV

1. Mark hole positions on wall, then drill to manufacturers specified diameter and depth of M8 rawl bolt (See Wall Fix installation sheet)

2. Once holes are drilled insert M8 rawl bolts into holes and set in place to secure tightly.

3. Attach instrument to rawl bolts or other suitable wall anchors (**not supplied**) making sure they are tight to the wall.

Tools:

## Wall Fixed

Sonora HD  
Page 1 of 2

Install Instrument with 1m free space (from widest point) around it.

4. Once all mounts are fixed in place attach the beaters at each end of the instrument on directly to the wall.
